# PREFACE

Dr Zik is known for nature, divine and inspirational poetry. In this book, "I See You Smiling", a famous poem, "By The Sudden Crashed Houses", along with other poems is a great example of his style. While reading, a reader feels himself in the scene depicted by the use of forceful words which shows the poet's deep imagery as Timothy Joiner (Magalia, California) says, "You are the artist, and you have already told us".

## A Link

You reveal it, then I know  
my pangs are more than a sea  
there is a link, between two  
soul and body, You and me

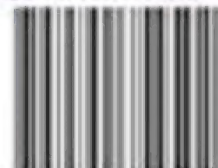

You reveal it then I know  
my pangs are more than a sea  
there is a link between two  
soul and body; You and me

Dr Zafar Iqbal Khokhar started poetry since 1984. His work has been publishing in several international literary leading poetry sites, and he is known as an inspirational poet. Nowadays, in several countries, poets have been writing "Ziket" and "Zinet" (modern poetic forms) by getting inspired. Timothy Joyner (Magalia, California) say, "Dr Zik. I sense a foreboding in your writing that most seem to overlook. Perhaps it spoke to me of how things should be. But then we all find out what is going on. You are the artist, and you have already told us so elegantly." Dr Peter (Lim Meng Sing) from Australia (PhD, and famous poet) says, "Dr Zik is a polymath, a prolific poet and an expert of Ziket, a well-known, writer, translator. Much of what he has written resonates with that of Khalil Gibran, Hafiz, Rumi and Rabindranath Tagore's."
